GET STARTED EARNING CME/CE/CPD CREDIT — REGISTER WITH UPTODATE TODAY!

UpToDate is accredited and recognized by colleges, associations, and authorities from around the world, and is a globally accepted information resource and learning tool.

- You may earn CME/CE/CPD credit when you research a clinical question using UpToDate.
- No tests, fees, or use of a third-party provider are required.
- Credits are organized by month and can be redeemed for up to two years.
- You can redeem your credits at your convenience — 24 hours a day, 7 days a week.
- You can also view and print previous CME/CE/CPD submissions at any time, provided that your UpToDate access is active either through your institution or through an individual subscription.

See page 10 to review the types of CME/CE/CPD credit available through UpToDate.

1

Access UpToDate from your EHR or portal.

You must access UpToDate from your EHR, secure clinical system or portal in order to earn CME/CE/CPD credit.

The screenshot displays an EHR patient record for Fred O'Smith. The interface includes a top navigation bar with tabs for ADMISSION, Rix, ORDERS, and CONSULT. A red callout box labeled 'UPTODATE' is positioned over the top right of the patient information section. The patient information section contains fields for Name, Gender, Age, Height, Weight, Healthcare Proxy, Patient ID#, and Doctor. Below this, there are sections for GENERAL INFORMATION, TRANSPORT INFORMATION, VITALS, and COMMENTS. The GENERAL INFORMATION section includes Date, Staff taking information, and Chief complaint. The TRANSPORT INFORMATION section includes EMS company, Unit #, Transport type, Mode of transport, Pickup, and Accompanied by. The VITALS section includes BP, Position, Location, Temperature, Method, Pulse, Respiration, Pulse O2, and Rhythm. The COMMENTS section includes a text area with the note 'Call private physician upon arrival.'

Note: The above is a sample of how an EHR might look after integration with UpToDate. However, your EHR may have a different appearance, depending on whether you access UpToDate through a tab (as in the sample above), a drop-down menu on your desktop or another configuration.

2 Register with UpToDate.

In order to earn and redeem CME/CE/CPD credits, **you must be a registered user of UpToDate with a unique user name and password.** This allows UpToDate to recognize you as an individual user within your organization so that CME/CE/CPD credit can be allocated to your account. It's best to register the first time you see the "Log in or Register" page.

1 The first time you access UpToDate from your EHR or portal, you will see the "Log in or Register" page shown below. You can (1) log in with an existing UpToDate user name and password, (2) register as a new user and create your own user name and password, or (3) bypass this page and proceed directly to your search by clicking "Skip this for now".

2 To register, complete all fields and click "Submit Registration". Once you register, you will not have to register again.

3 If you prefer not to register on your first visit, you may register later by going to the My Account link and clicking on **Click here to register**.

Remember: You will not be able to redeem your credits until you have registered with UpToDate.

4 Once you've registered, you will receive an email that includes your user name and password. **Important: You will not need to use this user name and password to access UpToDate; you will use them only to redeem your CME/CE/CPD credit or to access the "My Account" section of UpToDate.** In addition, your UpToDate user name and password will enable you to log in from any institution that subscribes to UpToDate and earn CME/CE/CPD.

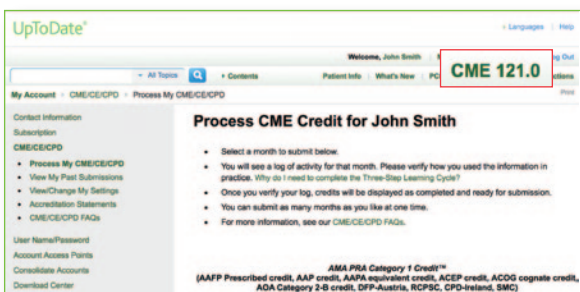

**Need help? Contact UpToDate
