Managing your CME/CE/CPD credit

UpToDate makes it easy to earn and redeem CME/CE/CPD credit

UpToDate is accredited and recognized by colleges, associations, and authorities from around the world, and is a globally accepted information resource and learning tool.

- Clinicians can use the time they already spend researching clinical questions with UpToDate for continuing professional development requirements — including those researched on a mobile device.
- No test, fees or use of third party provider are required.
- You can redeem your credit right from your mobile devices, including through the UpToDate mobile app, 24 hours a day, 7 days a week.
- UpToDate offers a variety of credits, such as AMA PRA Category 1 Credit™, AANP contact hours, and CFPC Mainpro+ Certified Self-Learning Credit.
- Several ABMS Member Boards, including ABIM, accept credit earned from use of UpToDate for MOC. Log in to your UpToDate account to submit credit directly to ABIM.

Note: To see if you can use UpToDate to fulfill CME requirements in your country or specialty, please visit www.uptodate.com/cme for the most current list of CME and MOC requirements. It is up to each user to determine whether his or her use of UpToDate qualifies for CME in any particular country/specialty. Earning and Redeeming your CME/CE/CPD credit

Earning CME/CE/CPD Credit
In order to earn CME/CE/CPD credit, you must be an individual subscriber or a registered user of UpToDate with a unique user name and password. This allows UpToDate to recognize you as an individual user within your organization so that you can accrue credit.

If you are not sure if you are registered, please check with your hospital administrator on how to register and log in.

Once registered, log in with your UpToDate user name and password each time you use UpToDate to accrue CME/CE/CPD credit when researching clinical questions.

Redeeming CME/CE/CPD credit
Each accrediting body recognizes one of two tracking methods. UpToDate offers both of these methods. Visit www.uptodate.com/cme for a current list of accrediting organizations.

• **Point-of-care learning** — tracks research question, topics reviewed, and user documentation of how information was applied in practice.

• **Time-based tracking system** — tracks length of time user spends reading a topic (up to 10 mins per topic per session).

Credits are associated with your account and stay with you if you change organizations. Simply log in with your existing credentials in the new organization to retain your current CME/CE/CPD credit.

Redeem credits for point-of-care learning method
- Log in to UpToDate and click the CME link in the top navigation menu.
- You will see your CME dashboard with the options to redeem CME, view your history or seek help.
- Click “Redeem”.

Credits will be displayed by “Credit Count” (see most recent earned credits by count) or by “Month Range” (see most recent earned credits over a time frame of your choice).

- Select the credits you want to redeem and click “Continue”.
- If redeeming from a mobile device, tap each credit once to select.

Upon clicking “Continue”, if you are a point-of-care user, you will be asked to reflect on the goal of your search and the way you applied this information to your practice. Once completed, your credits will turn green.

- Click “Continue”.

Upon clicking “Continue”, you will be asked to answer some evaluation questions.

- Answer the questions and click “Submit”.

After you submit your evaluation, you will be brought to your CME History page where you can view, download, and print your certificate and activity log.
