**UpToDate has been accredited and recognized as a continuing education resource by colleges, associations, and authorities from around the world.** For more information about accreditation and educational objectives, you can visit www.uptodate.com/home/cmececpd-accreditations.

- By 91,689 individual and enterprise subscribers

---

**UpToDate provides expert peer reviewed information which impacts direct patient care while the patient is in the office. It is the most clinically relevant CME I have ever done.**

— DR. HELEN HARMON, GREENVILLE, NC USA

---

Using UpToDate for 20 minutes a day was associated with a comparable increase in IM-ITE scores as an entire year of residency.
