

Staying UP TO DATE

Clinicians everywhere trust UpToDate® to treat their patients.

When it comes to evidence-based medical knowledge, the most trusted name in healthcare is UpToDate. With nearly **54 doctors** on staff and more than **430 journals** hand-searched and reviewed, there's no name in patient treatment expertise more recommended than UpToDate.

Trusted Around the World

UpToDate is the most trusted source for evidence-based clinical information for more than **1.5 million clinicians** in more than **186 countries**, and an indispensable part of clinical workflows in over **36,500 institutions and practices**.

Breadth and Depth

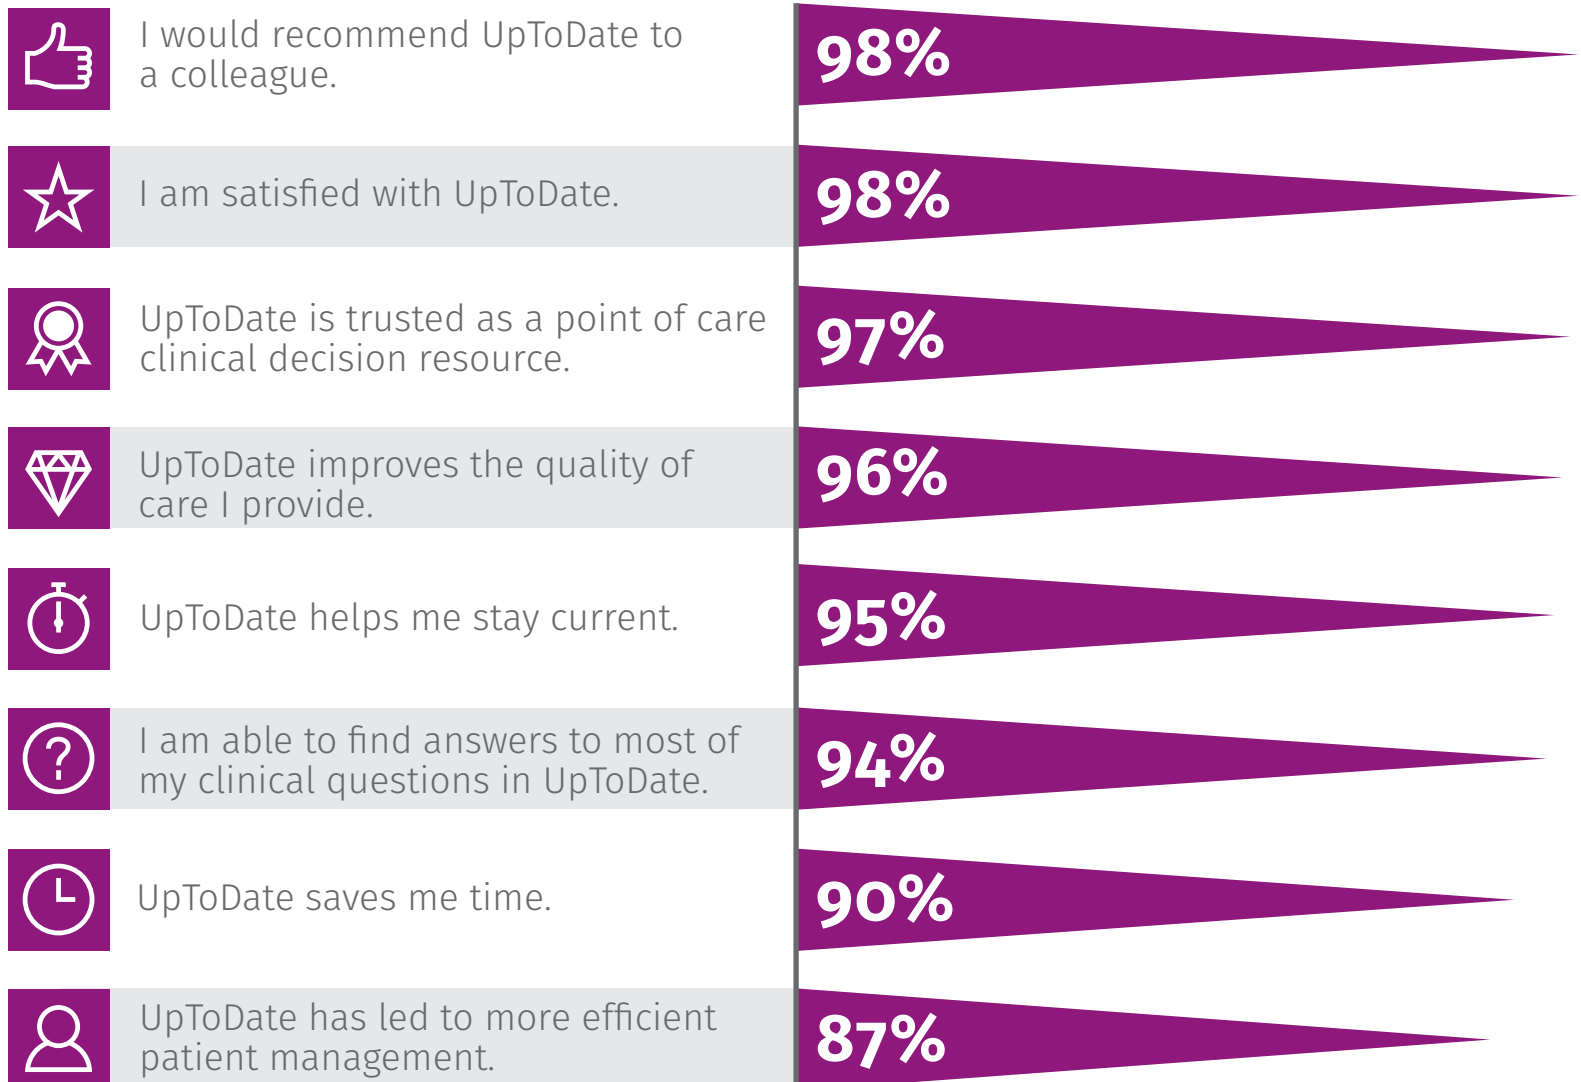

UpToDate features more than **9,500 evidence-based, graded recommendations** that are reviewed, fact-checked, and graded by a team of more than **6,700 authors, editors, and peer reviewers** from around the world.

UpToDate subscribers get:

Clinicians' Choice

With more than **43 million** topic views per month, clinicians are nearly unanimous in their approval for UpToDate:

Always Publishing, Always UpToDate

With a firm belief in providing the most current clinical content available, UpToDate welcomes feedback from subscribers:

UpToDate offers thoroughly researched recommendations and updates that may change usual clinical practice through our **What's New** and **Practice Changing Updates** feature. These updates represent, in our editors' view, the most important new information added in recent weeks.

Accreditation with Commendation to Further Physician Learning and Change

Offering CME since 2000, UpToDate received the highest accreditation by the Accreditation Council for Continuing Medical Education. The total number of individual and enterprise subscribers processing CME, CE, and CPD in the United States grows every year.

Saving Time and Lives

When seeking out medical information to treat patients, go with the most trusted, the most recommended, the most valued.
Go with UpToDate.
