Answer Clinical Questions with UpToDate®

1. Enter a Keyword or Phrase
   Be specific for best results.

2. Review Search Results
   Results display the topics, sections and graphics that are most likely to answer your clinical question.

Modify your user name and password or update your account information.

Search UpToDate topics in multiple languages.

View Practice Changing Updates (PCUs).

Learn “What’s New” by specialty.

Revisit information you find most valuable.

Access Lexicomp® drug interactions content.

Personalize your view by collapsing or expanding results or hiding the topic outline.

Calculate many different medical measures.

Hover over a topic to see the full topic outline.
Click on a link to go to a specific section.

Get clinical answers at the point of care with evidence-based clinical decision support

Prioritize the order in which topics appear on the search results page or filter your search over Graphics only.

Use subsections for easy navigation.

Review list of topics within each specialty.

Search with auto-complete.
